**We request payments to be made
in cash or by post-dated cheques.**

Costumes

Costuming is always a big component of the dance business. Marr-Mac has a year end performance each June. **Students will require one costume for each class they are registered in.** We request a separate costume deposit to be submitted with your post-dated monthly payments. We keep our costs to a minimum while providing a tasteful and stage effective product.

Once costume deposits are paid, the instructors order costumes or hire a seamstress to sew the costumes so they all look the same. There may be an extra seamstress fee charged at this time with the balance of the costume fee. With this in mind our instructors keep the costume costs within a reasonable budget.

- A costume deposit of **\$50.00 per class** is due with the September fee.

Ballet pianist fee – in order to maintain the live accompanist music in the ballet classes, we require a **one-time** pianist fee from each ballet student. These fees are pro-rated depending on the length of ballet or creative movement class. This fee is due with the September fee as follows.

.5 hr – 30.00/ .75 hr – 45.00/ 1 hr. – 60.00/ 1.25 hr – 75.00/ 1.50 hr – 90.00

Fund Raising-Parent Society

Fundraising is a necessary facet of any school. Our main fund-raiser is a Silent Auction held in the fall just in time for Christmas Shopping. We use these funds to directly benefit the students through studio improvements or to subsidise dance trips. We ask each family to donate up to three items for the auction. These items must be brand new. Many local shops and businesses are willing to donate items for free advertising. We start receiving items through our office in October.

Teacher Training Programs

Marr-Mac offers teacher-training programs in the I.S.T.D. (Imperial Society of Teachers of Dancing). These courses are offered in Ballet and Tap disciplines.

Marr-Mac Dance & Theatre Arts Centre

(Established in 1968)

Welcome to Marr-Mac Dance and Theatre Arts Centre. Marr-Mac has been training dancers and student teachers since 1968!

Marr-Mac has an exciting year in dance. The training is ballet-based, with the ISTD syllabus and exam system, progressing to pointe work and pas de deux. Major ballet students are given the option of taking both the ISTD and RAD examinations. Complimenting ballet are Modern and Tap (ISTD), Jazz, Creative Movement and Stretch and Strength. Additional training includes Highland, Irish, and Hip Hop. To enhance our dance training we also offer a Song and Dance program for ages 7 yrs and up.

We follow the same schedule for holidays as the school systems, but there are times when an exam or performance is coming up and we need to hold classes on a holiday. You will receive a bi-monthly newsletter to inform you of these holiday dates as well as audition and performance dates, costume information, fundraisers, etc.

Our main performance is a year-end production held in June at the Jubilee Auditorium. This performance includes all classes in the school. This is a theme-based production. In the past, Mary Poppins, Anastasia and Beauty and the Beast are some of the stories we have portrayed. DVDs of previous years' performances can be borrowed at the office if you are interested.
