# *Marr Mac Dance Toddler and Pre School Classes*

## **Sign, Sing & Dance:**

These “mommy/daddy & me” classes will teach you and your child (1.5 - 3 years) basic sign language while you sing and dance the morning away! Each week we will explore a new theme using fun props, books and music that will have everyone busting a move! Dance wear or comfortable clothes for you and your child will help you to move and groove to your maximum potential.

## **Creative Movement:**

These are unparented classes for 3 and 4 year old boys and girls. We will introduce your child to basic dance styles while allowing their imaginations to guide the creative outcomes. Props, music and storybooks are the foundation from which we will explore our movements. Fun is always the goal! Dance wear or comfortable clothes will help your child to move and groove to their maximum potential.
