Marr-Mac Dance has been teaching children the love of dance and music since 1968. Our philosophy is 'to encourage students of all abilities', appreciating that some dancers want to dance competitively and possibly choose dance as a career, while others dance for recreation and physical fitness. We offer both competitive stream and recreational stream programs. We keep in mind teen and adult dancers who may want to begin dance later offering specific programs for those dancers. Even beginner teen dancers who would like to compete have an option to do so at Marr-Mac.

Our instructors are carefully chosen and share the same philosophy; to encourage all students. Good strong quality technique and instruction is offered in a warm and friendly environment.

Marr-Mac prides itself in offering an alternative studio atmosphere. We welcome male and female dancers from age 3 years to Adult. Our program runs 10 months September to June with evening and Saturday classes in multiple disciplines; Creative Movement, Russian Vaganova Ballet, Classical Partnering, Jazz, Jumps & Turns, Bollywood, Contemporary, Glee Club, Tap, Stretch & Strength, Lyrical, Highland, Irish and Injury prevention classes.

We also offer a daytime 8 week preschool program for 3-5 year old's and a Toddler/parent program for 18 mos - 2 yrs..

And for adults; Adult Contemporary Ballet, Adult Tap, Bollywood, and jazz. Special adult rates and punch passes available.

We are centrally located in Old Strathcona in Edmonton and are on a great bus route. Dancers and parents can find a meal or beverage nearby in the many restaurants in walking distance.

Arts groups looking for studio space for rent are welcome to rent one or more of our 4 spacious studios.

Our facility is also a great place to host children's dance-birthday parties.
